seminars

THE SEMINAR TAKES PLACE AT:

The Abe Burrows Theater
NYU Tisch School of the Arts
721 Broadway at Waverly Place
New York, NY 10003

WHO SHOULD ATTEND?

Everyone doing stage lighting, architectural lighting, and any kind of entertainment illumination. These sessions will not be too basic nor too advanced. Everyone who attends will benefit.

This one-day seminar is about training and inspiration. The seminar includes:

- Intensive all-day seminar led by leading theatre lighting professionals
- Lighting 101 workshops for beginners and new professionals
- Leading manufacturers and technical specialists will demo new gear and be available to discuss details of all their equipment.
